In addition, the student has completed 90 credit hours, including a minimum of 30 credit hours in chemistry.

The scholarship was established through a generous bequest

George Tomlinson Scholarship in Biochemistry

This scholarship was established

Klaus Philipp

The following three awards celebrate the lives of Klaus and Ingrid Philipp.

Klaus Philipp dedicated more than 32 years to his work as an Instructor in the Department of Chemistry with a passionate commitment to imparting his knowledge to his students. He retired from the Department in 1999.

Two scholarships were established in memory of Ingrid Philipp, his wife of 34 years. The third scholarship, The Philipp Scholarship, celebrates the life of Klaus Philipp.

The Philipp Scholarship

Awarded to a third-year student with the highest GPA going into their fourth year undergraduate studies program in Chemistry and Biochemistry.

Joseph Banisch
