# Regulations Related to Course Scheduling

Students have a prescribed schedule, and have been assigned to specific courses and sections for the upcoming year. **No schedule changes can be accommodated, even when there is space in other sections.** You must schedule all other activities, including work, child care, extra-curricular activities, etc. around your classes and practicum commitments.

## Senior Years Curriculum

Senior Years students will take Middle Years "Curriculum, Instruction and Assessment" (CIA) courses in broad subject areas related to their teaching areas (e.g. English Language Arts, French, Kinesiology, Mathematics, Science, or Social Studies).

Students will also take specialized curriculum courses in their major and minor subjects. Students will gain a thorough understanding of teaching methods in their subject areas, and will learn strategies for teaching in both middle and senior years grades.

## Practicum Blocks

Students will register for two extended blocks of practicum in Year 1. These blocks are each worth 3 credit hours toward degree requirements. The blocks are represented by course numbers, and are listed on your registration forms. Students in the Senior Years stream will complete both blocks in a cohort in a pre-determined Winnipeg Middle Years school.

In addition to these blocks, students will spend the first week of September and then two half days or one full day per week in their host schools throughout both terms at pre-determined times that fit with their class schedule. Year 2 practicum will be in a senior years setting. In addition to regular tuition fees, students will be charged a supplemental practicum fee of approximately \$186.50 per block (\$373 for the year).

## Foundations of Teaching and Learning

All After Degree students must register for EDUC-4002 Foundations of Teaching and Learning. Students in the Senior Years streams have been assigned to Section 151.

Section 150 has been reserved for students in the Elementary streams.

## Inclusive Approaches to Teaching Exceptional Students

After Degree students must take EDUC-3511-150 Inclusive Approaches to Teaching Exceptional Students.

## Curriculum Groupings

Year 4 courses have been organized into four curriculum groupings as outlined below.

Students will complete CIA courses from one or two groups, depending on their combination of teaching areas:

### Curriculum Group A

English, Classics, Psychology, Sociology, Theatre

### Curriculum Group B

Anthropology, Economics, Geography, History, Indigenous Studies, Philosophy, Political Science, Religion and Culture

### Curriculum Group C

French, Kinesiology, Math

### Curriculum Group D

Biology, Chemistry, Physics

The following pages outline the specific CIA courses for each group.

## Special Newberg Fall Reading Week (Oct. 15 - 18, 2024)

Education students in certification years do not participate in the Fall Term Reading Week. Certification courses and practicum will continue during the week of October 15 - 18, 2024. This is necessary in order to allow for enough time to complete a practicum block before schools close for the Winter break.

Education students in certification years do get the school division Spring Break off during the last week of March, as well as the Winter Term Reading Week, and therefore have an equivalent amount of break time compared to non-certifying students.

# More Information

## **P** **M**

The Practicum Office will hold meetings for Certification Year and After-Degree students on three evenings throughout each term. These meetings will give students an opportunity to learn about a number of facets of student teaching both in its execution and in preparation for practicums. Four themes will be visited - professional practice, preparation, mental wellness, and opportunities for career development. Meetings will be held online and recorded. More information will be provided to students at the start of the Fall term.

## **H** **.W** **G** **!**

The Faculty of Education will offer a series of professional development and career exploration seminars as well as workshops and placements throughout the year for all education students.
