- d) Expired terms

Ron Youngson, Kyle MacDonald, Henry Hudek, Mary Anne Walls, Laurel Repski.

- Temporary Pension

The question of whether the Plan should continue to provide for the payment of the taxable excess of the commuted value as a temporary annuity to age 65 was referred back to the Operations Committee following the March 11, 2013 meeting. Following a review, the Operations Committee recommends that the Plan Text be amended to ensure CRA

~~That no discretionary COLA increase be paid for 2013~~

...CARRIED

(0 abstentions, 3 opposed: J. Graham, B. Barske, J. Barske)

- March 1, 2013 motion re asset reallocation

At the March 1, 2013 ASL meeting, the Board unanimously approved a consensus motion re the reallocation of DB assets. The precise wording of the March 1, 2013 motion concerning ~~the revised DB asset allocation was to be finalized and brought into the minutes at the March~~

iii. Report from DC Committee

The Committee met on May 15, 2010. A

and no changes have been proposed. A draft RFP for DC administration services is in progress and is expected to be presented at the September Board meeting.

4. Other Business

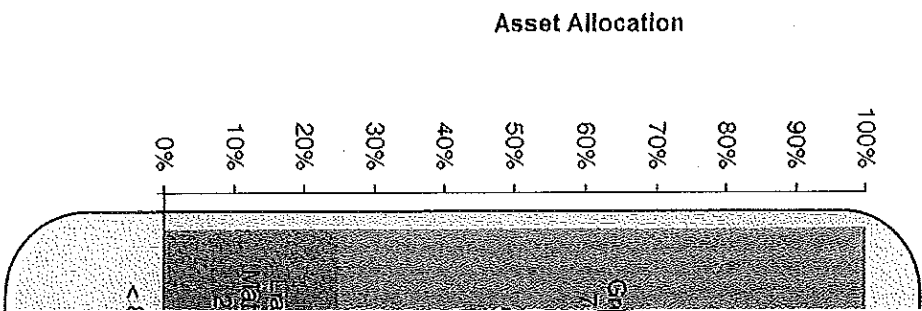

M. Wiegand suggested that perhaps more DB analytical data regarding the Plan's past performance be made available to Plan members in the annual report. R. Erb noted that 10 year numbers are

frequently reported by other plans. It was decided that, with Aon's assistance, the data could be posted with commentary.

ACTION ITEM:

M. Emslie to contact Aon Hewitt to find out what type of information they would recommend and to
